**Let us show you what the OCNI membership
can do for you and your business.**

WHO WE ARE

Since its inception in 1979, OCNI has actively promoted the production of safe, clean, and reliable nuclear energy, as well as supported the growing needs of the industry by offering a wide range of initiatives and benefits. OCNI is an association of more than 220 leading suppliers of the nuclear industry in Canada and the international marketplace.

MEMBERSHIP BENEFITS

COMMUNICATION

OCNI is the voice of the Canadian Nuclear Supply Chain, but we perform this as a dialogue. OCNI provides direct communication to political leaders; introductions to NPPs worldwide; and facilitates member discussions to understand your needs.

EVENTS

Expand your nuclear knowledge and stay current with updates from suppliers & utilities. Attend exclusive Supplier Day Events, Business Development seminars, trade missions, industry partner showcases, OCNI Townhalls!

REWARDS

OCNI offers discounted member rates for events, opportunity for member awards, promotion through member spotlight, member referral programs to earn membership credit, membership swag, and much more!
